

October 2001

Curriculum Vitae

Susan Goldberg

Birthdate      March 25, 1938

Citizenship: U.S., Landed  
immigrant in Canada

Education

1954-59      Antioch College  
1960-64      Tufts University

B.A. Psychology and Mathematics  
M.S. Psychology (Experimental)

1965          Ohio State University  
1971-75      University of Massachusetts

One quarter only  
Ph.D. Psychology (Experimental Child)

Research and Academic Appointments

1957-60	Research Asst. in Psychophysiology	Fels Research Institute
1960-65	Research Asst. in Psychology	Tufts University
1966-68	Research Assoc. in Psychology	Fels Research Institute
1968-70	Research Assoc. Human Development	University of Zambia
1969	Lecturer in Psychology	University of Zambia
1971-73	Research Asst., Psychology	University of Massachusetts
1973-74	Teaching Assoc. in Psychology	University of Massachusetts
1974-81	Asst. Professor of Psychology	Brandeis University
1976-78	Fellow	Radcliffe Institute
1981-2001	Research Scientist	The Hospital for Sick Children
7/2001-	Emeritus Scientist	The Hospital for Sick Children
1982-87	Assoc. Professor of Psychiatry	University of Toronto
1982-87	Assoc. Professor of Psychology	University of Toronto
1986-92	Acting Director, Psychiatric Research	The Hospital for Sick Children
1987-	Professor of Psychiatry and Psychology	University of Toronto

Other scholarly activities

Board of Directors - Boston Institute for the Development of Infants and Parents  
(formerly Seminar in Development of Infants and Parents) 1975-

Editorial Board      -      Child Development 1977-1983, 1991-93  
   Guest Editor (with Richard Kearsley) Special Section on High Risk  
   Infants October 1983  
   Infant Behavior and Development 1984-  
   Monographs of the Society for Research in Child Development (1998-99)

Consulting Editor - Developmental Psychology 1982-86, 1992-93

Guest Reviewing - Manuscripts - Merrill-Palmer Quarterly, American Journal of Mental Deficiency, Journal of Clinical & Consulting Psychology, Journal of Educational Psychology, Nutrition and Behavior, Current Anthropology, Canadian Journal of Psychiatry, Journal of Developmental and Behavioral Pediatrics, Infant Mental Health Journal, Developmental Review, Development and Psychopathology, Canadian Journal of Behavioural Science, Infancy, Social Development, Journal of Family Psychology, Social Science and Medicine, Journal of Adolescent Health.

Research Review Committee - Ontario Mental Health Foundation 1984-89  
Hospital for Sick Children Foundation 1990-2000

External Review of Proposals- National Science Foundation, National Foundation of March of Dimes, NIMH, OMHF, Health and Welfare Canada, Canadian Psychiatric Research Foundation, NSERC, FCAR (Quebec), NIH, NHRDP, SSHRC, Ontario Ministry of Health., Israel Science Foundation, MRC, CIHR

Guest faculty SRCD Summer Institute on Language and Communication, June, 1979.  
Keystone Conference on Parenting - Keystone, Colorado, August, 1979.

## **PUBLICATIONS**

### **A. Theses**

M.S. Probability judgments of preschool children.  
Tufts University 1964

Ph.D. Visual tracking and object permanence in 5-month-old infants.  
University of Massachusetts 1975.

### **B. Papers read (see presentations)**

### **C. Unpublished Formal Reports**

Goldberg, S. & Roby, T.B. Information acquisition in a pattern identification problem. U.S. Air Force ESD Technical Report, No. 63-141, 1963.

Roby, T.B. & Goldberg, S. Procedural constraint and task performance. U.S. Air Force ESD Technical Report, No. 640663, 1964.

Goldberg, S. Mother-infant interaction in Zambia. Human Development Research Unit Report No. 13, University of Zambia, Lusaka, Zambia, 1970.

Goldberg, S. Infant care, stimulation and sensory motor development in a high density urban area of Zambia. Human Development Research Unit Report No. 15, University of Zambia, Lusaka, Zambia, 1970.

## **D. Formal Publications**

### **1. Books:**

Field, T., Sostek, A., Goldberg, S., & Shuman, H.H. Infants Born at Risk, Holliswood, N.Y., Spectrum, 1979.

Field, T., Goldberg, S., Stern, D., & Sostek, A. Interactions of High Risk Infants and Children, Academic Press, New York, 1980.

Goldberg, S. & DiVitto, B. Born Too Soon: Preterm Birth and Early Development, San Francisco, Ca., W.H. Freeman & Co. 1983.

Goldberg, S. (Ed.). Facing the Nuclear Age: Parents and Children Together, Annick Press, 1985.

Goldberg, S. (Ed.). Times of War and Peace: Dealing with Kids' Concerns, Annick Press, 1991.

Goldberg, S., Muir, R., & Kerr, J. (Eds.). Attachment theory: social, developmental and clinical implications, 1995. Hillsdale, NJ: The Analytic Press.

Goldberg, S. Attachment and development. (2000) London: Edward Arnold

Atkinson, L., & Goldberg, S. (Eds.). (in press). Attachment issues in psychopathology and interventions. New Jersey: Erlbaum.

### **2. Chapters:**

Appleton, C., Clifton, R.K. & Goldberg, S. The development of behavioral competencies in infants. In F.D. Horowitz, M. Hetherington, S. Scarr-Salapatek & G. Siegel (Eds.), Review of Child Development Research, Vol. 4, Chicago, University of Chicago Press, 1975, 101-186.

Goldberg, S. Infant development and mother-infant interaction in urban Zambia. In P.H. Leiderman, S.R. Tulkin & A. Rosenfeld (Eds.), Culture and Infancy, New York, Academic Press, 1977, 211-244.

Goldberg, S. Ethics, politics and multicultural research. In P.H. Leiderman, S.R. Tulkin & A. Rosenfeld (Eds.), Culture and Infancy, New York, Academic Press, 1977, 587-598.

DiVitto, B. & Goldberg, S. The effects of neonatal medical status on early parent-infant interaction. In T. Field, A. Sostek, S. Goldberg, & H.H. Shuman (Eds.), Infants Born at Risk, Holliswood, N.Y., Spectrum Publications, 1979, 311-332.

Goldberg, S. Pragmatics and problems of longitudinal research with high risk infants. In T. Field, A. Sostek, S. Goldberg, & H.H. Shuman (Eds.), Infants Born at Risk, Holliswood, N.Y., Spectrum Publications, 1979, 427-442.

## PRESENTATIONS

\* indicates papers read at academic conferences

Selected presentations prior to 1980

\*Goldberg, S., Rausch, M., & Lewis, M. Birth defects: Diagnosis and prediction. Paper presented to Ohio Academy of Science, Dayton, Ohio, April 1967.

\*Lewis, M. & Goldberg, S. Habituation differences to tactile stimulation in waking and sleeping infants. Paper presented to Society for Psychophysical Research, San Diego, California, October 1967.

\*Goldberg, S. Infant care in Zambia: Measuring maternal behavior. Presented at University Social Science Council Conference, Nairobi, Kenya, December 1969.

\*Quinn, B. & Goldberg, S. Feeding and fussing: Parent-infant interaction as a function of newborn

medical status. Symposium on Disturbances in Parent-Infant interaction, Society for Research in Child Development, New Orleans, March 1977.

\*Goldberg, S. Strategies and goals of cross cultural research. Institute on early development in animals and man. Zentrum fur Interdisziplinare Forschung, Bielefeld, Germany, February 1978.

\*Goldberg, S. & Feldstein, N. Sex in the nursery: A methodological study. International Conference on Infant Studies. Providence, R.I., April 1978.

\*Brachfeld, S. & Goldberg, S. Parent-infant interaction: Effects of newborn medical status on free play at 8 and 12 months. Southeastern Conference on Human Development, Atlanta, Georgia, April 1978.

\*Goldberg, S. & DiVitto, B. Early newborn behavior and later social interactions. Southeastern Conference on Human Development, Atlanta, Georgia, April 1978.

\*Goldberg, S. Parent-infant interaction and neonatal medical problems: Implications for development. American Association for the Care of Children in Hospitals, Washington, D.C., June 1978.

Goldberg, S. The handicapped infant and compensatory parenting. Keystone Conference on Parenting, Keystone, Colorado, August 1979.

Goldberg, S. Biological aspects of parent-infant interaction. Virginia Commonwealth University, Chapter of Sigma Xi, May 1, 1980.

### 1981

Oct. Association for Optimal Infant Development. Parent-Professional Relationships.

Nov. Boston Institute for Development of Infants and Parents. Parent-Infant Bonding.  
Developmental Research Group (U of T) Toddler-Stranger Interactions.

### 1982

Jan. Clinical Interest Group (U of T). Prematurity and Parent - Infant Interactions.

Mar. International Conference on Infant Studies (Austin, Texas).  
Discussion session on parenting (with J. Kennell and Klaus Minde).  
\*Motor Development of Preterm Infants (with Linda Fetters).  
\*Object sorting in Preterm Infants (with David Starkey).

April George Brown Perinatal Conference. Development of Preterm Infants.

Boston University Psychology Colloquium. Developmental Issues for Preterm Infants

May Waterloo Conference on Child Development.

\*Social sequelae in preterm twins and singletons (with M. Perrotta and K. Minde).

Queens University Psychology and Obstetrics Dept. Joint Colloquium.

Parent Relations with Preterm Infants.

Obstetrics Department Grand Rounds Discussant.

American Psychiatric Association.

\*Parent-Infant Bonding (symposium presentation).

Huron Public Health Nurses. Caring for the Preterm Infant.

June Parents of multiple Birth Association. Preterm Twins and Singletons: Social Development (with K. Minde and C. Corter)

July UCLA. Pediatric Residents Study Group. Preterm Infants' Interactions with Parents.

Oct. Prevention Conference, SUNY Buffalo. Caring for the Preterm Infant.

Nov. Boston Institute for Development of Infants and Parents. Nurturing Under Stress.

### 1983

April Society for Research in Child Development (Detroit, Mich).

\*Stress and Support in families of Delayed Preschoolers (with S. Marcovitch).

May Simcoe County Nurses. Workshop on parent-infant relationships.

George Brown Conference on Attachment. Attachment and the preterm infant.

June Association for Optimal Infant Development. Developmental Issues for Preterm Infants.

Psychiatry Department Child Division Faculty Retreat Day. Research in Child Development and Public Policy.

Nov. Boston Institute on Development of Infants and Parents. Update on Bonding Research.

Tufts University. Child Study Department Colloquium. Growing Up in the Nuclear Shadow.

Wellesley College. Psychology Dept. Colloquium. Attachment in Preterm Infants.

Prevention Symposium (Toronto). Caring for the Preterm Infant.

1984

- Jan. York University Developmental Psychology Group. Development of Preterm Infants.
- Feb. Manitoba Psychological Society. 1-Day Workshop on Developmental Issues for Preterm Infants.
- April International Conference on Infant Studies (New York).  
\*Attachment in low birthweight twins and singletons. (with M. Perrotta and K. Minde).  
American Orthopsychiatry Association. Panel discussant on Children and the threat of Nuclear War.  
Conference on Psychotherapy Issues. Child Development Research and Public Policy.
- May University of Washington. Interdisciplinary Colloquium. Growing Up in the Nuclear Shadow.
- June Canadian Psychological Association (Ottawa).  
\*Issues for Parents with Disabled Children (symposium with Sharon Marcovitch and Mary Konstantareas).  
\*Growing up in the Nuclear Shadow: What Do We Know?
- Nov. Brock University. Psychology Department Colloquium. Children and the Nuclear Threat: A Toronto Survey.

1985

- Feb. Ontario Psychological Association.  
\*Thinking About The Nuclear Threat: Two Ontario Surveys.
- Mar. Saskatchewan Rural Public Health Region. 1-Day Workshop on Developmental Issues in Prematurity.
- April Society for Research in Child Development -  
\*Stress and Support in Families of Handicapped Children (Symposium with S. Marcovitch, M. Konstantareas, B. Keogh, and K. Oster).  
  
\*The Threat of Nuclear War: Impact on Children and Families (Symposium with W. Forman, M. Schadler, R. Barker and J. Santa-Barbara)
- May Jarvis Collegiate. Living in the Nuclear Age. Discussion with High school classes (3)
- June Canadian Psychological Association.  
\*Children at Risk: Issues for Parents. (Invited symposium with S. MacKay-Soroka, K. Minde, and A. Goldbloom).  
Pilot Parents, Whitby. Family stress and caring for the delayed preschooler (with

S. Marcovitch).

- Sept. Hung Fook Mental Health Association. The Influence of Children on Their Parents.
- Oct. Canadian Academy of Child Psychiatry (Quebec City).  
\*Coping with Stress. (Symposium with B. Robson, D. Weir and G. DaCosta).
- Nov. Boston Institute for Development of Infants and Parents. Attachment in Low Birthweight Preterm Infants.

1986

- Mar. Parents of Twins. The development of preterm twins (with C. Corter).
- Canadian Association for the Treatment and Study of Families. Panel on Technology and the Family in 2086.
- May Pediatric Grand Rounds (HSC). Psychosocial implications of developmental delay with S. Marcovitch
- Waterloo Conference on Child Development  
\*Follow-up of low birthweight twins and singletons at age 4 (with J. Washington & M. Lojkasek).  
\*Mothers as models of prosocial behaviour (with M. Lojkasek)  
\*Mothers' judgments of development in 4-year-olds born prematurely (with M. Algieri & M. Perrotta).
- American Association for Mental Deficiency (Denver, CO).  
\*The role of temperament in developmentally delayed preschoolers (with S. Marcovitch).
- June Canadian Psychological Association  
\*Developmental delay with unknown etiology: Dilemmas for parents (with S. Marcovitch).  
Discussant: Symposium on Disempowering Institutions and Empowering People.
- Sept. International Association for Infant Mental Health (Chicago)  
\*Symposium on Loss of a Neonate - Clinical and Research Issues (organizer and presenter with P. Sutton).
- Oct. American Academy of Child Psychiatry (Los Angeles)  
\*Symposium on follow-up of preterm infants (with K. Minde & C. Corter)
- Nov. National Conference on Ethics of Research with Children (HSC)  
Workshop on ethics of research in daycare and school settings (with K. Oster).

1987

- Feb. Ontario Psychological Association (Toronto)  
\*Stress and coping in families of delayed preschoolers (with S. Marcovitch)
- Mar. Clarke Institute of Psychiatry Colloquium.  
Attachment in high risk populations
- April Society for Research in Child Development (Baltimore, MD)  
\*The impact of chronic illness on infant-mother attachment (with A. Fischer-Fay,  
R.J. Simmons & H. Levison)  
\*Attachment and maternal responsiveness to delayed preschoolers (with S. Marcovitch)  
\*Growing Up in the Nuclear Age: Personal Perspectives (invited address).
- American Association of Neurology.  
\*Factors influencing maternal communication with language delayed  
preschoolers (with D. MacGregor, L. Chaisson, S. Marcovitch & I. Ushyky)
- Neonatal Research Group (HSC)  
Four year follow-up of low birthweight twins and singletons
- International Physicians for the Prevention of Nuclear War (7th annual meeting, Moscow,  
USSR) Children's nuclear fears: Smashing the myths. Contribution to panel on Research  
Studies of Children in the Nuclear Age.
- May Women's College Hospital Conference on Preterm Infants. Preterm birth and development:  
The parents' perspective.
- Psychiatry Grand Rounds (HSC)  
Risk factors in infant-mother attachment
- June Association for Optimal Infant Development (Toronto). Four year follow-up of Low  
Birthweight Infants
- Aug. Grindstone Island Conference on Raising Children for a Better World  
Resource person and discussion facilitator
- Oct. HSC Psychiatric Rounds  
A Longitudinal Study of Cystic Fibrosis (with R. Simmons)
- North American Cystic Fibrosis Meetings (Toronto)  
\*A Longitudinal Study of Infants with Cystic Fibrosis (with R. Simmons, A.  
Fischer-Fay & P. Morris)
- Faculty of Nursing, University of Toronto  
Followup of Preterm Infants at Age 4

Conference on Communication Problems of Infants at Risk: Mount Sinai Hospital (Toronto)  
Followup of preterm infants: The parent's role

Council of Exceptional Children Conference (Toronto)  
\*Early Intervention: Does it work?

Nov. Boston Institute on Development of Infants and Parents.  
Risk Factors in Infant-Mother Attachment

1988

Jan. Queens University, Psychology Colloquium  
Risk factors in infant-mother attachment.

Hugh Macmillan Psychosocial Research Group  
Conducting research in clinical settings.

University of Toronto (Erindale) - Guest lecture  
Rearing a disabled child - recent research findings

Feb. University of Western Ontario, Psychology Colloquium  
Risk factors in infant-mother attachment.

April International Conference on Infant Studies (Washington, D.C.)  
\*Chronic illness in infancy: Impact on parental stress  
(with P. Morris, R. Simmons, A. Fisher-Fay & R.S. Fowler)  
\*Chronic illness and infant-mother attachment  
(with A. Fisher-Fay, R. Simmons, P. Morris & H. Levison)

May Waterloo Conference on Child Development  
\*Attachment in infants born subsequent to a neonatal loss: A pilot study (with A. Fischer-Fay & P. Sutton)  
\*Early maternal responsiveness and social development in low birthweight preterm infants (with M. Lojkasek, G. Gartner & C. Corter)

NIH Conference on Maternal Responsiveness: Characteristics and Consequences.  
Maternal responsiveness and social development in preterm infants (invited conference)

June Children's Hospital of Eastern Ontario - Pediatric Grand Rounds  
Growing Up in the Nuclear Shadow: The Role of Health Professionals

Nov. Boston Institute on Development of Infants and Parents: Observing attachment behaviors: the continuum from security to disorganization (with K. Lyons-Ruth)

Cardiovascular Research Group, HSC: Early Development of infants with congenital heart disease.

1989

April

Cognitive Therapy Unit, Clarke Institute of Psychiatry  
Methods of studying mother-child attachment

Society for Research in Child Development - Kansas City

\*Effects of Chronic illness on infant-mother attachment. (Symposium on Use of the Strange Situation with Atypical populations).

\*The nuclear threat and Canadian children: Replication and extension (with C. Lewis)

Sept.

Canadian Academy of Child and Adolescent Psychiatry - St. John's Nfld.

\*Chronic illness and infant-parent relationships (with R.J. Simmons, A. Fisher-Fay, P. Morris & P. Darke.)

Nov.

Society for Behavioral Pediatrics - Boston, MA.

\*Chronic illness, parenting stress, and infant-mother attachment

1990

Feb.

Child Psychiatry Day - Toronto, Ontario

Experimental methods of studying attachment and their clinical implications

Mar.

Psychological measurement and assessment interest group. University of Toronto

Assessing parent-infant relationships: Combining clinical intuition and experimental methods

April

International Conference on Infant Studies - Montreal, PQ

\*Severity of cardiac disease and infant-mother attachment (with K. Campbell, R.J. Simmons and R.S. Fowler)

\*Temperament and attachment: Health and illness (with J. Neuman)

\*Cognition, affect and sensitivity in mothers of children with Down Syndrome (with L. Atkinson, B. Scott, T. Bowman, J. Blackwell S. Dickens)

May

Waterloo Conference on Child Development

Roundtable on Attachment (with D. Pederson, G. Moran, K. Rubin)

\*It's a puzzlement: Chronic illness and mother-child interaction at age two (with J. Washington & M. Lojkasek)

June

Psychiatry Research Day - University of Toronto

Early experiences of parents of children with congenital heart disease (with K. Campbell, R.J. Simmons & R.S. Fowler)

Sept.

Society for Behavioral Pediatrics - Denver, Colorado.

\*Early experiences of parents of infants with congenital heart disease (with K. Campbell, R.J. Simmons & R.S. Fowler)

- Oct. International Cystic Fibrosis Conference - Washington, D.C.  
Discussant - Workshop on improving nutrition in the CF child.  
\*Mother-infant interaction and nutrition (with R.J. Simmons, A. Fischer-Fay & I. MacLusky)
- Nov. Boston Institute for the Development of Infants and Parents. Annual Conference on Clinical Applications of Infancy Research.  
Organizer - Symposium on Attachment in Infants at Risk.  
Presenter - Attachment in medically compromised infants.

1991

- April Society for Research in Child Development, Seattle, WA.  
\*Antecedents and sequelae of infant-mother attachment: health and illness.  
Symposium on Early Chronic illness and parent-child relations (with R.J. Simmons)  
\*Let me count the weighs: Attachment and nutrition in children with cystic fibrosis.  
Poster presentation, (A. Fischer-Fay, first author, R.J. Simmons, & I. MacLusky)
- Simon Fraser University. Academic colloquium.  
Risk factors in attachment.
- May Day-long training for North California service providers, Chico State University  
Infants at risk - parental factors.
- Canadian Psychological Association, Calgary, Alberta.  
\*Early attachment: A passing fancy or a long term affair? Presented at Invited Symposium on the Roots of Development.
- Oct. North American Cystic Fibrosis Conference, Dallas, Texas.  
\*Cystic fibrosis and early development: The cloud with a silver lining.  
Invited symposium on Parent-child relationships and psychosocial adjustment in CF.

1992

- May International Conference on Infant Studies, Miami, Florida.  
\*Attachment and physical health in medically compromised infants. Invited symposium on non-organic failure-to-thrive.  
Invited discussant, Symposium on Material Self-efficacy and Developmental Outcomes.  
Invited discussant, Symposium on the Contribution of Drug Exposure and Maternal Child Rearing Patterns to the Quality of Attachment and Social Development of Infants.
- Waterloo Conference on Child Development, Waterloo, Ontario.  
\*Maternal Response to infant affect and infant-mother attachment (with S. MacKay-Soroka & Rochester)  
\*Attachment, health, and family drawings of four-year olds. A pilot study (with S. Middlebrook, M. Janus & R.J. Simmons).

- June Animal Behaviour Society, Kingston, Ontario.  
\*Infant-mother attachment and individual differences.
- Oct. North American Cystic Fibrosis Conference, Washington DC.  
\*Nutrition is more than calories: Infant-mother attachment and nutritional status in the first 4 years with (J. Washington, R.J. Simmons & I. MacLusky).

1993

- March Society for Research in Child Development, New Orleans, LA/.  
\*Quality of attachment and parent ratings of preschool behavior problems (with A. Gotowiec & R.J. Simmons).  
\*Affect. attachment and maternal responsiveness in infancy (with S. MacKay-Soroka & M. Rochester).
- May Children in a Violent World, North York.  
Panel member: Effects of Violence on Infants
- Parenting in the 1990s, Hincks Institute, Toronto.  
Workshop on Raising a child with medical or developmental problems.
- Sept. Society for Behavioral Pediatrics, Providence, RI.  
\*Chronic illness in infancy and parent report of preschool behavior problems (with R.J. Simmons and A. Gotowiec).
- Oct. North American Cystic Fibrosis Conference, Dallas, Texas.  
Developmental issues: Infants and toddlers (with R.J. Simmons, J. Washington and I. MacLusky).
- Nov. Concordia University, Psychology Department Colloquium  
Early attachment and preschool behaviour problems.
- Dec. Infant Mental Health Promotion Project, Toronto  
Parenting the preterm infant.

1994

- May Waterloo Conference on Child Development. Waterloo, ON  
\*Measuring attachment in the preschool years: Stability and change from infancy (with J. Washington, A. Birenbaum & R.J. Simmons).
- June International Society for the Study of Behavioral Development. Amsterdam, The Netherlands  
\*Attachment in Health & Illness: Infancy to Preschool (with J. Washington, A. Birenbaum & J.R. Simmons).  
\*Attachment and development in Romanian adoptees: Some preliminary findings (with S.

Marcovitch, C. Wasson, A. Gold, K. Krewkewich, M. Handley-Derry & J. Washington).

- Sept. International Conference on Attachment and Psychopathology. Toronto, ON  
Attachment and childhood behaviour problems in normal, at risk, and clinical populations  
(invited talk).
- Sept. Invited address at OMHF day in honor of Dugal Campbell  
The importance of infancy: Attachment, emotions, and behaviour problems.
- Dec. Second annual OCAP symposium. St. Catherines, ON  
Attachment and behaviour problems.

1995

- March Society for Research in Child Development. Indianapolis, IN.  
\*Predictors of behavior problems in internationally adopted Romanian children. (with S. Marcovitch for Invited Symposium on International Adoption: Risk, Resilience and Adjustment.)  
\*Attachment and maternal response to infant emotions (N. Myhal, first author).
- June Canadian Psychological Association. Charlottetown, P.E.I.  
\*Infant-mother attachment and behaviour to strangers in Romanian orphans adopted in Ontario.(with S. Marcovitch, R. Sabbagh & J. Washington for a symposium on Romanian adoptees in Canada: Overcoming early deprivation.)  
\*Romanian adoptees in Ontario: Predictors of developmental outcome (with S. Marcovitch (first author), C. Wasson, K. Krewkevich, M. Handley-Derry, D. MacGregor & A. Gold.
- Sept. Society for Behavioural Pediatrics, Philadelphia, PA  
\*Determinants of behaviour in internationally adopted Remanian children (with M. Handley,-Derry (first author), S. Marcovitch, D. MacGregor, A. Gold, & J. Washington)
- Nov. Boston Institute for Development of Infants and Parents, Annual Conference, Boston, MA.  
Attachment following early institutional care: Romanian children adopted in Canada

1996

- Feb. Group for Research on Infancy, Montreal, PQ  
Temperament attachment, and emotion regulation
- April International Conference on Infant Studies, Providence, R.I.  
\*Attachment and indiscriminately friendly behaviour in Romanian adoptees (with R. Marvin, R. Sabbagh & S. Marcovitch)  
\*Adult response to infant affect: Factors influencing response (with K. Blokland (first author), D. Benoit & S. MacKay)
- July Attachment and emotion regulation  
Psychology Department, Simon Fraser University

1997

- January    Talk at OISE  
                 Attachment and emotion regulation
- March     Grand rounds in pediatrics, Hospital for Sick Children  
                 Early social relationships and physical health
- April      Society for Research in Child Development, Washington, D.C.  
                 Interdisciplinary reciprocity: Behavioral pediatrics and developmental  
                 psychology (Symposium introduction and discussant)  
                 \*Attachment status and study participation (N. Myhal first author)  
                 \*Securely attached infants are healthier in the first three years of life (M. Janus,  
                 first author)
- October    Ontario Association for Optimal Infant Development  
                 Attachment and development

1998

- February    Psychosomatic Research Day, University of Toronto  
                 Attachment, stress, and physical health
- April        International Conference on Infant Studies. Atlanta, GA  
                 \* Attachment and expectant mothers' perceptions of emotion. In Symposium  
                 on emotional development: Perspectives on the role of maternal perceptions of  
                 emotion and internal working models of attachment. (K. Blokland, first author)
- Psychological Society of Saskatchewan  
                 Attachment and early development (invited keynote address: Regina, SK)
- May         Waterloo Conference on Child Development  
                 \* Across the transmission gap: Adult attachment and response to infant emotions (with  
                 K. Blokland, P. Cayetano, and D. Benoit)

1999

- April        Society for Research in Child Development, Albuquerque, NM  
                 \*Infant working models of maternal availability in the still-face procedure (S.  
                 Jamieson, first author with D. Benoit, S.M.J. Hains, K.C.H. Parker, & D.W. Muir)
- June         Annual Harvey Stancer Research Day  
                 Attachment associated with illness and cortisol levels (S. Lecce, first author with V.  
                 Raval, N. Bentley and D. Benoit)

2000

May Development 2000  
\*Disorganization in the Family Drawings of 7-year-olds (with S. Madigan)

2001

March American Psychosomatic Society  
Attachment and cortisol stress responses. In Symposium on Attachment  
theory: Developmental contributions to stress and illness.

April Society for Research in Child Development  
\*Emotion language and attachment  
(first author: Michelle Ladd) Paper presented at the Symposium on attachment  
and emotional development  
\*Symposium discussant: "Cues to intuitive parenting"  
\* The Effects of Postpartum Depressive Symptoms on Mother-Infant Interactions  
(with Michelle Ladd and Michelle Horhota)

2002

April Infant Mental Health Promotion Project Workshop  
Assessing attachment in the strange situation

May Quebec Attachment Conference 2002  
Attachment and emotions: The significance of fear?

**Funding (in present position only)**

1982-83 Canadian Psychiatric Research Foundation. Parent reaction to death and illness in newborns. \$14,000

1983-85 Health and Welfare Canada. Child characteristics, stress, and mother-child relationships in delayed preschoolers. \$85,000 (with S. Marcovitch and D. MacGregor)

1983-85 Ontario Mental Health Foundation. Parent reaction to death and illness in newborns. \$33,500 (with K. Minde)

1984-86 Ontario Mental Health Foundation. Social competence in low birthweight twins and singletons. \$96,500

1985-86 Laidlaw Foundation. Reaction of parents to infants with cystic fibrosis. \$13,600 (R.J. Simmons, P.I.)

1985-86 Laidlaw Foundation. Infants born subsequent to a neonatal loss. \$15,800 (with P. Sutton and K. Minde)

1985-86 Pediatric consultants. Maternal communication with delayed preschoolers. \$10,300 (with S. Marcovitch and D. MacGregor)

1986-88 Ontario Mental Health Foundation. The impact of chronic illness on infant-mother attachment. \$70,000 (with R.J. Simmons)

1986-87 Ontario Mental Health Foundation. Maternal communication with delayed preschoolers.

- \$35,000 (with S. Marcovitch, D. MacGregor and I Ushycky)
- 1987-89 Ontario Mental Health Foundation. Atypical attachment in risk populations. \$70,750
- 1987-89 Canadian Cystic Fibrosis Foundation. Social functioning of preschoolers with cystic fibrosis. \$74,000 (R.J. Simmons, P.I.)
- 1988-90 Ontario Mental Health Foundation. Severity of congenital heart disease and early development. \$76,010 (with R.J. Simmons)
- 1988-90 Ontario Mental Health Foundation. Social functioning of preschoolers with congenital heart disease. \$77,500 (with R.J. Simmons)
- 1988-90 Canadian Heart and Stroke Foundation. Social functioning of preschoolers with congenital heart disease. \$33,000 (with R.J. Simmons)
- 1989-90 Canadian Psychiatric Research Foundation. Tracking attachment: Infancy to Preschool. \$21,736.
- 1989-91 Canadian Cystic Fibrosis Foundation: Social development of preschoolers with cystic fibrosis. \$85,000 (R.J. Simmons, P.I.)
- 1990-93 National Health Research and Development Program. Tracking attachment: Infancy to Preschool. \$93,978.
- 1990-92 Canadian Heart and Stroke Foundation. Social functioning of preschoolers with congenital heart disease. \$35,000 (with R.J. Simmons)
- 1991-94 Canadian Cystic Fibrosis Foundation: Social development of preschoolers with cystic fibrosis. \$125,000 (R.J. Simmons)
- 1991-95 Ontario Mental Health Foundation. Antecedents and consequences of infant-mother attachment: health and illness \$297,000.
- 1991-94 Medical Research Council: Studies of developmental psychopathology: Attachment and behaviour disorders in chronically ill children. \$164,713.
- 1994-95 Ontario Mental Health Foundation. Adult response to infant affect: Subjective and objective measurement. \$14,820 (with D. Benoit & S. McKay-Soroka)

- 1999-2001 Ontario Mental Health Foundation. Adult response to infant emotions: Development of the TIES \$93,419 (with D. Benoit and B. Cassidy)
- 1999-2001 Ontario Mental Health Foundations. Fear and disorganization as pathways to psychopathology \$89,000. (with D. Benoit, PI)

**TEACHING (since 1981 only)**

Department of Psychiatry

Resident seminars: 2-5 each year - topics in child development, statistics and research design, reading the literature critically, infancy.

Supervision of resident dissertations:

- Dr. Ismael Goolam-Hoosen - 1983
- Dr. Peter Sutton - 1984
- Dr. Alice Charach - 1985
- Dr. Carole Ann Hapchyn - 1989
- Dr. Katharina Manassis - 1990

Each of the above received the Liz Gillespie prize for the best dissertation of the year.

I have co-chaired the committee which oversaw dissertation research and during this period was consulted by most residents and/or their supervisors at some point in their research.

Department of Psychology

Undergraduate courses:

- Child psychopathology - 1982
- Parental behaviour - 1983

Graduate:

- Early social development - 1985 (with C. Corter)
- Risk factors in early social development - 1986, 1989
- Social development - 1991 (With C. Corter)
- Applied Developmental psychology Research Seminar - 1991-92  
(group taught)
- Pediatric Psychology - 1994 (group taught)
- Attachment and other theories - 1995 (with J. Grusec & J. Jenkins)

Ph.D. Thesis committees (since 1981 and somewhat incomplete; \* = primary supervisor)

- Sharon Marcovitch (York University)
- Karen Oster (OISE)
- Robert Bosso (U. of Toronto, Psychology)
- Sherri MacKay-Soroka (U. of Toronto, Psychology)
- Michael Walker (U. of Toronto, Education)
- Molly Malone (U. of Toronto)
- Rosemary Tannock (OISE)
- Jack Kamrad (U. of Toronto, Education)
- Lynnette Bauer (U. of Toronto Psychology)
- Elizabeth Thompson (OISE)
- Cathryn Cobb (York, Sociology)
- Heather O'Halloran (University of Toronto, Psychology)

Mirek Lojkasek (York)  
Tanya Martini (U. of Toronto Psychology)  
Andrew Gotowiec (Institute for Medical Science)  
Deborah Minden (OISE)  
\*Kirsten Blokland (U of T. Psychology)  
Jennifer Coolbear (York University)

Current:

\*Ruwa Sabbagh (U of T Psychology)  
\*Michelle Ladd (U of T Psychology)  
\*Dahlia Chapnick (OISE)  
Howell Gottlieb (OISE)  
Kelly Durell (OISE)  
Sheelagh Jamieson (Queens University)

Master's Theses (\* = primary supervisor)

\*Anneke Fischer-Fay (U. of Toronto Psychology)  
Pamela Taylor (U. of Toronto, Nursing)  
Mirek Lojkasek (York University)  
Karen Graham (University of Toronto Pharmacology)  
Anita McGowan (clinical nutrition )  
\*Kirsten Blokland (U. of Toronto Psychology)  
\*Ruwa Sabbagh (U. of Toronto Psychology)  
\*Michelle Wieser (U. of Toronto Psychology)  
Bruce Morton (U. of Toronto Psychology)  
Janis Wolfe (U. of Toronto Psychology)

Undergraduate honors theses: (all U of T, Psychology)

Claudia Poynton  
Lisa Lipsett - poster presentation received a prize at Department of Psychiatry  
Research Day, 1988  
Sheila Middlebrook  
Regina Hawkins  
Kim Soane  
David Halasz  
Vaishali Raval

Independent study - Graduate students

Gloria Gartner (1988)  
Peter Darke (1990)  
Margot Rochester (1991 - Institute of Child Study)  
Brenda Miles (1993)  
Lenny Vartani (2000)

Independent study Undergraduates  
Adina Birenbaum (1992-93)  
Joel Brody (1995)  
Patricia Cayetano (1996)

Research fellows:

Marta Valenzuela (1986-88, Ph.D. research)  
Dr. Miri Halperin (1986-88, Post doctoral research)  
Dr. Carole Ann Hapchyn (1988-89, Hincks Institute Psychiatric Fellowship (half time research))  
Dr. Susan Dundas (1991-92, Psychiatric Research Fellow)  
Dr. Cathron Cobb (1994-6)  
Dr. Magdalena Janus (1993-97)  
Dr. Beverley Cassidy (1995-97 Psychiatric Research Fellow with funding from OMHF)

Psychology Interns

Amanda Gold 1994  
Michael Zwiers 1996  
Charmaine Miranda 1997

Served as external examiner on theses (roughly 1/year) at  
McMaster, York, Queens, University of Western Ontario, Windsor - no detailed record of these.

**COMMITTEES**

Hospital Committees

Pay equity, 1988 -?

Research Institute

Human Subjects Review, 1984-1992  
Nursing Research, 1984-88

Department of Psychiatry (HSC)

Department Advisory, 1986-1990  
Research, 1984-?  
Endowment Fund Committee (co-ordinator, 1995- )

University of Toronto, Department of Psychiatry

Divisional Executive (Child Psychiatry), 1986- 92  
Research Committee - included 1 month on scientific review, 1 month on ethics review, 1984, 1987-92  
Child Psychiatry Dissertation Committee 1981- ? (co-chair 1988-90),  
Adult Psychiatry Diploma Committee, 1981-86  
Child Psychiatry Day Committee (chair) 1989-92

Fellowship (Child Psychiatry) 1990-1992  
Promotions 1997-1999

Committees of Professional Organizations (incomplete)

- 1982 International Conference on Infant Studies - program review panel
- 1983 Southeastern Conference on Research in Human Development - program review panel
- 1983-84 Society for Research in Child Development - local arrangements  
Society for Research in Child Development - program review panel
- 1985 World Association for Infant Psychiatry - program review panel
- 1986-87 Canadian Psychological Association - program review panel
- 1987 International Association for Infant Mental Health - chair, review panel
- 1989 International Association for Infant Mental Health - chair, review panel
- 1989-90 International Conference on Infant Studies - Chair, Review panel on High  
Risk/Pediatrics.
- 1992-95 Executive Council, Society for Behavioral Pediatrics
- 1995 Society for Research in Child Development - Review panel member (High Risk Infants)
- 1995 Society for Pediatric Psychology - program committee for 1996 Great Lakes Regional  
Conference.
- 1996 Society for Research in Child Development - Review panel member.
- 1997 International Conference on Infant Studies- Review panel member (high risk infants)
- 1999 Development 2000 - Review panel member
