

CURRICULUM VITA

German Posada

Department of Child Development and Family Studies
2102 West State Street
Hanley Hall - Purdue University
West Lafayette, Indiana, 47907
Tel: (765) 494-1029
Fax: (765) 496-1144
gposada@purdue.edu

Education

- Ph.D. in Developmental Psychology, December 1990
State University of New York at Stony Brook
- M. A. in Developmental Psychology, August 1986
State University of New York at Stony Brook

Employment History

- Associate Professor. 2007-present
Department of Child Development & Family Studies
Purdue University
- Assistant Professor. 2001-2007
Department of Child Development & Family Studies
Purdue University
- Assistant Professor. 1994-2001
Department of Psychology
University of Denver
- Post-Doctoral Research Associate. 1990-1994
Department of Psychology
State University of New York at Stony Brook.
Project: "Working Models of Attachment: Development after
Marriage"
- Consultant in the "NIHCDC Study of Early Child Care". July 1992-May 1993
Trained observers in the use of the Attachment Q-set, provided q-sort
descriptions, and rationales; assisted the participating sites (10) in solving
problems related to the q-set use.

Professional Organizations

Society for Research in Child Development

American Psychological Society

Colombian Association for the Protection of Maltreated Children

COLCIENCIAS (Colombian National Institute of Sciences)

Iberian-American Attachment Network

Awards

1999 - Recognition Award for outstanding teaching and support to undergraduates with special needs. Learning Effectiveness Program Office, University of Denver.

2004 - The Bowlby-Ainsworth Award for Contributions to Attachment Study

For observational studies of maternal sensitivity and infant secure base behavior across cultures. The Bowlby-Ainsworth award recognizes founders and singular contributions to the Bowlby-Ainsworth tradition of attachment theory and research.

2006 - Nomination for the Mary L. Matthews Outstanding Teaching Award, Purdue University.

2007 - Nomination for the Mary L. Matthews Outstanding Teaching Award, Purdue University.

Research support

“Child-mother secure base relationship processes and social competence in early childhood: A cross-cultural perspective.” National Science Foundation – CAREER Award. 2007-2013. PI.

“Inter-parental conflict, maternal behavior, and mother-child physiology.” NIHCD-National Institutes of Health. 2011-2013. Co-I (PI Leah Hibel, Ph. D.)

“Home Chaos, Maternal Quality of Care, and Infant Attachment Security.” The Kinley Trust Award. 2010-2011. PI

- “Talk, Listen, Connect II Evaluation.” Sesame Workshop. 2008-2010. PI.
- “Attachment relationships, marital conflict, and preschoolers’ social competence.” Center for Families at Purdue University and The Kinley Trust Award. 2006-2008. PI.
- “Early infant-mother skin-to-skin contact: Relations to quality of care and secure base behavior in a high risk sample.” Center for Mental Health Promotion, New York. 2004-2007. PI.
- “Relation of nutritional deficiencies to infant attachment.” The Kinley Trust Award. 2004-2005. Co-PI (with Theodore Wachs, Ph.D.).
- “Secure base behavior and representation during the preschool years: A longitudinal study.” The Purdue Research Fund. 2003-2005. PI.
- “Child-mother attachment relationships: Behavior and representation.” The Kinley Trust Award. 2000-2004. PI.
- “An intervention model in early infant-mother attachment relationships.” Colciencias and Javeriana University. 2000-2002. Co-I.
- “The transition to parenthood.” The Hunts Alternatives Fund. 1996-1997. PI.
