Annual URECA Undergraduate Research poster/exhibition – Wednesday April 29th

Each year, URECA sponsors a Celebration of Undergraduate Research & Creative Activity. The URECA Celebration provides a professional and friendly setting for students to present their research and to see what's going on in their own and other departments. A central event is a large all-day poster session. There are also oral presentations/symposia in several areas (including: the History Department; the Psychology Department/Psi Chi; the CEAS Senior Design Conference; Nanotechnology Studies; the College of Business). Any SBU undergraduate participating in mentored research (working with grad students, post docs and/or faculty; taking independent research classes; and/or working on a senior project/thesis) is invited to participate. Students benefit by gaining experience in presenting their work, discussing their project with faculty and other colleagues in the campus community, and learning about the work of their fellow students. Undergraduate abstracts are published in URECA Collected Abstracts 2008-2009.

The URECA Celebration will be held on Wednesday, APRIL 29, at the Student Activities Center (10 am-4pm). The event is sponsored by the Howard Hughes Medical Institute (HHMI) and the Center for Science & Math Education (CESAME).

Note: Abstracts & participation forms are due MARCH 20th!
For more information, see http://www.stonybrook.edu/ureca/celebration.shtml or contact Karen Kernan by telephone or email.
