

**Directions to the SCAN Center – Main Entrance**  
**Stony Brook University**  
**(631) 632-4784**

***From the West:*** From New York City, Queens Midtown Tunnel in Manhattan or the Throgs Neck Bridge or Whitestone Bridge in Queens, take the Long Island Expressway (LIE, I-495) eastbound to exit 62 and follow Nichols Road (Route 97) northbound for 9 miles. Enter the university via the Main Entrance (see below for directions once on campus).

***From the East:*** Long Island Express way (LIE, I-495) westbound to exit 62 and follow Nichols Road (Route 97) northbound for 9 miles. Enter the university via the Main Entrance (see below for directions once on campus).

***From the North:*** Take 25A to Nichols Road (Route 97). Enter the university via the Main Entrance (see below for directions once on campus).

***From the South:*** Sunrise Highway to Nichols Road (Route 97), once on Nichols Road the campus is about 9 miles. Enter the university via the Main Entrance (see below for directions once on campus).

***Once on Stony Brook's campus:***

Take the main entrance (second entrance off Nichols Road) to the end and you will be facing the Administration building. Make a left onto Circle Road, you will pass a Hilton on your right and then come to a stop sign. We are located in the parking lot on the right hand side directly after you stop at the stop sign (note: on the left you will see an underpass that connects the Hospital to the University).

Pull into the parking lot and in the back you will see a blue sign in front of our building that says SCAN Center (there is NOT a sign for the SCAN center that can be seen from the road, please look into the parking lot for the sign on our building).

Please park in the dedicated SCAN Center spot and ask the technologist for a permit to park there.
