

## **Curriculum Vitae – Anett Mueller**

### Personal Information

Name: Anett Mueller  
Contact: phone (work): 631 632 4209  
Email: [anmuller@notes.cc.sunysb.edu](mailto:anmuller@notes.cc.sunysb.edu)  
Birth date: December 9, 1978  
Citizenship: German

### Educational History

since 01/2010 Post-Doctoral Research Fellow at SUNY in Stony Brook, NY, USA, Psychology Department, lab of Turhan Canli  
09/2009 Dissertation "Impact of the Serotonin-Transporter-Polymorphism (5-HTTLPR) and Stressful Life Events on the Stress Response in Humans", Granting of the doctorate at Technische Universitaet Dresden, Germany  
12/2005 – 09/2009 Doctoral Student at Technische Universitaet Dresden, Germany, Institute of Biopsychology  
12/2005 Diploma in Psychology, Technische Universitaet Dresden, Germany  
11/2004 – 07/2005 Diploma thesis at Stanford University, USA – Psychophysiology lab of MD Walton T. Roth  
10/1999 – 12/2005 Diploma student in Psychology, Technische Universität Dresden, Germany  
10/1998 – 03/1999 University of Cooperative Education Riesa, Germany, Department of Technical Environmental Protection  
06/1998 High School ("Gymnasium") in Elsterwerda, Germany, A-Level

### Work experience / Practical Internships

11/2004 – 07/2005 Research associate at Stanford University and Palo Alto Veterans Affairs Hospital, USA at the lab of MD Walton T. Roth (Developing, setting up and conducting of a pilot study on psychophysiology of tense people including diagnostical interviews, an implemented seminar and data analyses)

10/2003 – 04/2004	Internship at accidental researches, Volkswagen Wolfsburg, Germany
04/2003 – 07/2003	Internship at a Management Consultancy, Berlin, Germany
02/2002 – 04/2002	Internship at Clinic for Psychiatry and Psychotherapy, Dresden-Neustadt, Germany
04/2001 – 03/2002	Research Internship at the Institute of General Psychology (Project “Attentional bias in Specific Phobias”), Technische Universitaet, Germany

### Teaching Experience

07/2010	One Lecture on “Stress Reactivity and Exercise” in the lecture course “Motor Function”, Department of Training and Movements Sciences, Humboldt-Universitaet Berlin, Germany
04/2006 – 09/2008	Practical Course on Research Methodology “Interviewpraktikum”, Technische Universitaet Dresden, Germany
10/2007	Methods of Psychology, Seminar “Behavioral Genetics”, Technische Universitaet Dresden, Germany
10/2007	One Lecture on Research Methods in Biological Psychology “Behavioral Genetics” in the lecture course “Stress & Gesundheit aus biopsychologischer Perspektive”, Technische Universitaet Dresden, Germany
04/2006 – 09/2007	“Forschungsorientierte Vertiefung”, Technische Universitaet Dresden, Germany (“Influence of 5-HTTLPR on stress reactivity and emotional memory”)

### Student Supervision

Diploma Theses (“Diplom-Psychologe”; German Masters equivalent)	
12/2009	Jana Rambow: „Associations between Allostatic Load, Socioeconomic Status and Acute Social Threat“

- 2009 Katrin Zunft: "Eine testdiagnostische Fragestellung zum Fragebogen "B-IKS" ("Beck - Inventar Kognitiver Schemata")"
- 02/2008 Elisabeth Wolff: "Effects of Amygdala Volume Variations on Cortisol Secretion under Basal Conditions and in a Psychosocial Stress Test in Healthy Old Adults"

#### Additional Appointments/Services

- 04/2011 Judge at the Syosset High School, Science Fair Research Association Invitational (USA)
- 04/2000 – 07/2004 Student assistant at the Institute of General Psychology, Technische Universitaet Dresden, Germany

#### Honors and Awards

- 01/2010 – 12/2011 Postdoctoral Research Award, German Research Foundation (Deutsche Forschungsgemeinschaft; DFG)
- 10/2008 – 01/2009 Scholarship, by the Sponsorship for Women in Science of the Technische Universitaet Dresden, Germany, to finish dissertation
- 03/2008 Research Travel Award, Association of Friends and Sponsors of Technische Universitaet Dresden e.V., to attend the Annual Meeting of the American Psychosomatic Society (APS), in Baltimore, USA
- 04/2007 Research Travel Award, by the University of Wisconsin-Madison Department of Psychiatry's HealthEmotions Research Institute, to attend the Symposium on Emotion in Madison, Wisconsin, USA
- 03/2007 Research Travel Award, by the Deutsche Forschungsgemeinschaft (DFG), to attend the Annual Meeting of the American Psychosomatic Society (APS)

in Budapest, Hungary

11/2004 – 06/2005      Research Travel Award, Association of Friends and Sponsors of Technische Universität Dresden e.V., for a research internship at Stanford University, USA

11/2004 – 06/2005      Research Travel Award, Roland Ernst Foundation, for a research internship at Stanford University, USA

### Research Grants

06/2006 – 03/2007      „The 5-HTT-Polymorphism: Genetic risk factor for strain and stress-related illness at work” by the Adolf Haeuser-Stiftung (Philipps-Universität Marburg) (Principal Investigators: Ulrike Roesler, Anett Mueller; Co-Applicants: Clemens Kirschbaum, Renate Rau)

### Society Memberships

Since 08/2011      Society of Psychophysiological Research (SPR)

Since 05/2011      Society for Neuroscience (SfN)

Since 12/2010      American Psychosomatic Society (APS)

### Reviewer activities for scientific journals and funding agencies

Abstracts for the Organization for Human Brain Mapping OBM, 2012

Archives of Medical Research

Biological Psychology

Journal of Student Research

NeuroImage

OMICS Publishing Group

Proceedings of the National Academy of Sciences (PNAS)

Progress in Neuro-Psychopharmacology & Biological Psychiatry
